

# Northport

# Air moves around you. Chair moves with you.

### Breathable Mesh Back

Mesh fabric encourages air circulation and supports the body. Rigid durability is ensured by a tubular steel frame.

### Adjustable Lumbar Support

Work comfortably for hours with lower back support from Northport's height-adjustable lumbar pad.

### Breathable Seat Cushion

Soft cushioned 3" foam seat bottom is covered with 3-dimensional mesh fabric for enhanced air flow and comfort.

## Northport Comfort Controls

360° Swivel

Tilt Tension

Synchro-Tilt

14° Tilt w/Lock

Seat Height

Arm Height
